

# Welcome To The Marin Museum of Bicycling & Mountain Bike Hall of Fame!

The Marin Museum of Bicycling is a bicycle history museum and cultural center in Fairfax, California. The museum houses a diverse collection of bicycles. Its two largest displays are the Igler Collection of 19th century cycles, and an exceptional group of bikes that illustrate the birth & evolution of mountain biking.

As a cultural center of bicycling, we offer celebrity group rides, clinics, lectures, movies, and screenings of cycling events. We serve as a meeting place for bicycle clubs and cycling enthusiasts, and we are an event venue you can rent for meetings & parties.

The Museum is also home to the Mountain Bike Hall of Fame, formerly located in Crested Butte, Colorado. Founded in 1988, the Mountain Bike Hall of Fame honors the rich history of the sport through the people, bikes and events that have made it happen.

Located at 1966 Sir Francis Drake Boulevard in downtown Fairfax, the Marin Museum of Bicycling exists solely because of thousands of hours of volunteer time. We are a completely volunteer-run, 501(c)(3) non-profit organization. Your donations and memberships are fully tax-deductible.

**OUR MISSION:** The Marin Museum of Bicycling seeks to illuminate and celebrate cycling's past, present and future.

**OUR VISION:** We see the bicycle, the most efficient form of human transport ever devised, growing in popularity and stature through better understanding and appreciation of its rich history and capabilities.

**OUR LOCATION:** Fairfax is widely regarded as the birthplace of the mountain bike revolution. With its strong cycling culture, it is the ideal location for the Marin Museum of Bicycling and Mountain Bike Hall of Fame.
